

Thank you for providing timely & thorough input for the *FY 2016 Organizational Assessment*. Please review & provide comments on the first draft of the document NLT COB Thurs, 9/29. A few requests:

- As in previous years, if you would like to add an accomplishment to this document, it would be most helpful if you can recommend which accomplishment to remove to make room for the addition (due to very specific space & font requirements)
- Please review all performance data for accuracy & provide any updates

Below is the development timeline. Please contact me if you have questions.

Regards,

Stephanie
